OFFICE OF NARS
 Attn: JWN Hickey
 US NRC
 Washington, DC

20 Indian Cove Rd
 Augusta Ga
 30909

Dear Mr Hickey -

Please be advised of my support of the Claiborne
 Enrichment Center to be located in northern Louisiana.
 With more than 30 years experience in AEC-DOE
 contracted facilities in a technical and radiation
 control supervisory role, I urge you and
 others to allow this project to go forward -
 The benefits far exceed what many uninformed
 perceive as "risks" -

Thank you

Larry H Butler
