SUBJECT: Closeout Inspection No. 030-04616/93-001

On May 21, 1993, Kathleen Dolce and Anthony Dimitriadis of this office conducted a closeout safety inspection at Building 7, 52 South Avenue, Burlington, Massachusetts of activities authorized by the above listed NRC license. The inspection consisted of observations by the inspectors, interviews with personnel, selective examination of representative records and independent measurements by the inspectors. In addition, our inspection examined the activities covered in your correspondence dated April 21, 1993. The findings of the inspection were discussed with Sandra Bazza at the conclusion of the inspection. Inspection information was also discussed in telephone conversations on June 7, 1993 and August 4, 1993 between Warren Church and Kathleen Dolce. A copy of the NRC inspection report is enclosed.

Within the scope of this inspection, no violations were identified. The purpose of the inspection was to evaluate the adequacy of your surveys and the effectiveness of your decontamination efforts.

A copy of the enclosed report will be used to assist in the evaluation of your request that this facility be released for unrestricted use.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed report will be placed in the Public Document Room.
