Docket No. 50-295
Docket No. 50-304

Commonwealth Edison Company
ATTN: Mr. Cordell Reed
Senior Vice President
Opus West III
1400 Opus Place
Downers Grove, IL 60515

Gentlemen:

Thank you for your letter dated April 26, 1990, in response to our March 29, 1990, letter concerning allegations pertaining to the placement of a contaminated hose in the 2A Diesel Generator Room at the Zion Station (Allegation RIII-90-A-0031).

In our letter, we requested that you fully analyze the allegation and take all actions that you deem appropriate to resolve this issue and submit the results of your investigation to the NRC.

Your response indicated that the allegation was substantiated and was the subject of a previous LER. We found your investigation to be sufficient to support your conclusions and have no additional questions regarding this matter. We request that you retain the supporting documentation for your investigation of this allegation for a minimum of one year from the date of this letter.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter will be placed in the NRC Public Document Room.

Your cooperation is appreciated.

Sincerely,

Original signed by W. L. Forney

Edward G. Greenman, Director
Division of Reactor Projects
