Dear Mr. Schwencer:

In response to your letter to September 13, 1978 in which you requested a schedule for submittal of our revised analysis of ECCS cooling performance, Westinghouse has advised us that their current schedule to provide us with the results of their ECCS reanalysis for Indian Point Unit No. 2 is November 30, 1978. Based on the Westinghouse schedule, with appropriate time for our review, we expect to submit our revised analysis for Indian Point Unit No. 2 by December 31, 1978.

Very truly yours,

William J. Cahill, Jr.
Vice President
