Good afternoon.

Here's the data you requested for Harrisburg International Airport for calendar year 2019.

Total number of operations/takeoff and landing for 2019: 47,412

Total number of operations/takeoff and landings over 200,000 pounds for 2019: est 2,202

This heavy aircraft estimate is composed of two parts, 1,952 operations of civilian aircraft, and est 250 operations of U.S. Government and military aircraft.

Please let me know if you need anything else.

Thanks.
Belinda

Hello Belinda,

Mike Fitzwater requested information to satisfy a reporting requirement to the Nuclear Regulatory Commission, however, Mike has recently retired and I will be picking up this duty. If you have responded to Mike's previous email, please forward to me. If not please provide the requested information to the email address below

Thank you for all of your assistance

Bob Brady

Subject: Input Needed for Three Mile Island 2019 Annual Report

Hello Belinda,

Once again I am asking you for the information necessary to satisfy the Three Mile Island Nuclear Station reporting criteria for 2019. This report is provided to the Nuclear Regulatory Commission as required by the TMI-1 Technical Specifications. Can you please provide me the following information for 2019:

- a. The total number of aircraft's movements (takeoffs and landings) at the Harrisburg International Airport for the previous twelve-month period.
- b. The total number of movements of aircraft larger than 200,000 pounds at the Harrisburg International Airport for the previous twelve-month period, broken down into scheduled and non-scheduled (including military) takeoffs and landings, based on a current estimate provided by the airport manager or his designee.

For your information – last year's numbers:

AIRCRAFT MOVMENTS AT THE HARRISBURG INTERNATIONAL AIRPORT (HIA)
JANUARY 1, 2018 THROUGH DECEMBER 31, 2018

1. Total Aircraft Movements 51,199

2. Estimated total number of movements of aircraft larger than 200,000 pounds – 2108.

This estimate is composed of two parts, 1858 movements of civilian aircraft, and 250 movements of U.S. Government and military aircraft.

I appreciate your help once again and please do not hesitate to contact me with any questions.

Best regards & Happy New Year,

Mike Fitzwater
