Dear Ms. Wright:

Edlow International Company holds Import License ISOU90001 authorizing the import of natural uranium in the form of uranium ore concentrate (U3O8) from Namibia to the United States for processing by U.S. facilities.

This license provides authorization for the import of 500,000 Kg of material. As additional shipments of Namibian origin uranium ore concentrate are being planned, we hereby request that the above export license be amended to increase the authorized quantity by an additional 500,000 Kg of material.

Thank you for your consideration in this matter. Please contact me at (202) 483-4959 should you require any additional information in connection with this request.

Sincerely,

Norman Ravenscroft  
Vice President, Operations
