RE: Portland General Electric Company, et al.
(Trojan Nuclear Plant)
Docket No. 50-344
(Control Building Proceeding)

Gentlemen:

This is to correct a typographical error in my letter to the Board of September 25, 1978.

On page 3, my letter mistakenly states that the State of Oregon will serve its prefiled testimony on October 3. As correctly stated twice on page 2, the date for such pre-filing by the State of Oregon is October 6.

I regret any confusion that may have resulted from the foregoing error.

Respectfully submitted,

Maurice Axelrad
