Mr. Roger S. Boyd, Director
Division of Project Management
Office of Nuclear Reactor Regulation
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Dear Mr. Boyd:

I am writing this to confirm our recent telephone conversation. The following management changes for the Shoreham and Jamesport projects have been made.

On September 15, 1978, Joseph P. Novarro became the Shoreham Project Manager, replacing Thomas J. Burke, who has left LILCO to accept a position with another company. Upon Mr. Novarro's move to Shoreham, the post of Jamesport Project Manager became vacant. It is being filled on an acting basis by Assistant Project Manager Raymond E. Plaskon.

Very truly yours,
