Dear Ross:

We appreciate your sending us the Draft Environmental Statement on Teton Exploration Drilling, Inc.-Teton Project.

Since the project is not on and does not affect National Forest System lands, we have no substantive comments to make. However, much of the data you folks present in the draft statement is extremely useful to us, for a variety of reasons. We appreciate it.

Best personal regards,

THOMAS E. SCHESSLER, Director
Watershed, Soils, and Minerals Area Management
