Mr. Phillip A. Greenberg
Assistant to the Governor
for Energy & Environment
State of California
Governor's Office
Sacramento, California 95814

Dear Mr. Greenberg:

Thank you for your recent letter concerning the changes that have occurred since the Clinch River Breeder Reactor Plant Environmental Statement (NUREG-0139) was issued in February 1977.

We have assessed these and other changes and their environmental significance from the time licensing activities for the Clinch River Plant were resumed in the fall of 1981. The results of that assessment have been documented in a draft supplement to NUREG-0139 which is being circulated for public comment.

Sincerely,

(Signed) William J. Dircks
