PORTLAND GENERAL ELECTRIC) (Proposed amendment to facility

REQUEST FOR EXTENSION OF TIME IN WHICH TO FILE EXCEPTIONS TO
INITIAL DECISION

NRC PUBLIC DOCUMENT ROOM

Pursuant to 10 CFR 2.711, this intervenor requests an extension of time in which to file exceptions to the initial decision in the above-captioned matter, or in which to file an application for a stay of the effectiveness of the decision, pursuant to 10 CFR Sections 2.762 and 2.788 or other sections deemed applicable.

The ASLB's initial decision is dated October 5, was docketed October 6, and was presumably mailed to all parties on that date. However, this intervenor did not receive a copy of the 76-page decision until this morning, Monday, October 16. Accordingly, an extension of time for filing exceptions and stay application until Monday, October 23-- a time extension of seven days-- is requested during which this intervenor may make intelligent and meaningful evaluation of a complex decision to determine whether appeal is indicated.

Respectfully submitted,

Juan M. Garrett
