Re: TRUMP-S Hearings
Nos. 70-00270 and 30-02278-MLA
Draft summary of actions taken during conference call
of October 19, 1990

Dear Judge Bloch:

I respectfully submit the following changes or additions to Mr Axelrad's proposed summary.

I would suggest inserting, perhaps before paragraph 2 on page 4, the following: "The Presiding Officer expressed a desire that the Staff be promptly informed that the amendment authorizing possession of 25 curies of americium requires compliance with 10 CFR § 30.32(i). Mr. Axelrad stated that the Staff had been so informed, and that the Licensee contends that the Licensee has fulfilled both of the alternative requirements of § 30.32(i)."

On page 4, in the fifth line from the bottom, I would delete "At Mr. Green's suggestion." I expressed a preference for a prompt filing, but did not count the permitted days or suggest a specific date.

At the end of the paragraph ending at the top of page 5, I would add: "Mr. Green also noted that five days would almost surely prove insufficient for preparation of rebuttal, after Licensee files its direct case, and that he would probably be requesting additional time at that point.

Respectfully submitted,

Lewis C. Green
