Mr. A. Bert Davis  
Regional Administrator  
United States Nuclear  
Regulatory Commission Reg. 3  
799 Roosevelt Road  
Glen Ellyn, Illinois 60137

RE: The Matter of Porter Memorial Hospital  
Docket No. 030-12150  
License No. 13-17073-01  
EA 90-072

Dear Mr. Davis:

Porter Memorial Hospital proposes to conduct the required survey pursuant to the Commission's order of May 2, 1990, with the assistance of Dr. Howard R. Elson and Dr. Bernard Aron. Enclosed is correspondence from both gentlemen along with their qualifications. Please advise if these gentlemen meet with the approval of the NRC.

Very truly yours,

HARRIS WELSH & LUKMANN
