Attention: Mr. Jerry Swift

Dear Mr. Swift:

I am requesting that your office contact me concerning setting up a Public Meeting in the Village to inform my residents what steps the N.R.C. is presently taking to assure the clean up of the Bert Avenue site.

As you are aware, a significant delay is occurring at the site. I feel that assurances from your office that the site is relatively safe and is being monitored will due much to put people's minds at ease.

I will be looking forward to hearing from you so that a mutually agreeable date can be set.

Yours truly,
