Re: Docket No. 50-344, Trojan Nuclear Plant

Gentlemen:

On October 18, 1978, the State of Oregon filed a motion for an extension of time in which to file exceptions to the Atomic Safety and Licensing Board's order of October 5, 1978, with a supporting affidavit. All parties were served with copies.

The motion and supporting affidavit were unfortunately filed under the caption "Before the Atomic Safety and Licensing Board", rather than the Atomic Safety and Licensing Appeal Panel. We refer you to your copy and ask that you consider that the motion and affidavit were filed before the Appeal Panel.

Respectfully,

Frank W. Ostrander, Jr.

Frank W. Ostrander, Jr.
