Dear Sir:

Isotec would like to ammend its License No. 34-18490-01. Roger Schwind resigned as President of Isotec on 1/2/90 and will be leaving Isotec on 2/7/90 but will continue to serve as a consultant to Isotec. Therefore, we would like to name Thomas J. Fahey as the radiation safety officer. Mr. Fahey has a bachelor's degree in chemical engineering and seven years experience operating the tritium removal facility.

The tritium removal facility has been in standby since 7/7/88, and we are planning to contract Applied Health Physics in Bethel Park, PA to decommission the facility. We will notify you of the schedule for decommissioning as it is established.

If you have any questions or require clarification, please call me at 513/859-1808.

Sincerely,

Vincent L. Avona
President
