

NOV 13 1990

MEMORANDUM FOR: Those on attached list

FROM: John Austin, Chief  
Regulatory Branch  
Division of Low-Level Waste Management  
and Decommissioning, NMSS

SUBJECT: NONSTANDARD FINANCIAL SUBMITTALS RELATED TO  
THE DECOMMISSIONING RULE

The financial assurance submittals, that you have sent to us for review, have been forwarded to ICF Incorporated for their comments. As you are aware, our contract with ICF is of short duration and we would like to get any additional nonstandard submittals into their hands promptly. It is especially important to utilize their services on any of the initial nonstandard submittals that came in to your licensing offices, but have not been forwarded to us for review.

We would appreciate knowing by November 20, 1990, how many additional submittals you intend to forward to us and when we will be receiving them.

If you have any questions with regard to the above, please contact Tim Johnson on extension 20558 or Louis Bykoski on extension 20572.
