NRC-D2-87-004 Modification No. 54 Page 2 of 2

This modification makes an administrative change to transfer \$35,000.00 of funds from Fin No. D1060 to Fin No. L1222, \$9,800.00 from Fin. L1356 to L1222, \$2,477.00 from Fin. L1245 to L1222, and \$1,122 from Fin. D1063 to L1222 as shown in Block 12 above and definitizes Modification No. 2 to Task Order No. 19.

1. This modification confirms the verbal authorizations to perform this work provided to your firm on July 26, 1990 in the amount of \$10,000.00, August 31, 1990 in the amount of \$5,000.00 and September 21, 1990 in the amount of \$15,000.00. Therefore, pursuant to paragraph G.10, Task Orders, this modification definitizes Modification No. 2 to Task Order No. 19 which increases the level of effort by 580 staff hours in accordance with the contractor's proposal dated July 10, 1990 as revised by telecon July 26, 1990 between Barbara Meehan, NRC and Tom Rodehau, SAIC, wherein it was agreed to reduce the overhead rate from 83.10% to 82.6%, the G&A rate from 10.30% to 10% and the fixed fee from \$4,462.00 to \$3,996.00. Other proposed costs are adjusted accordingly.

There is no change in the expiration date of the period of performance for this task order. The total cost ceiling is increased by \$48,399.00 (inclusive of the \$30,000.00 authorized verbally) from \$212,746.00 to \$261,145.00. Estimated costs are increased by \$44,403.00 from \$195,180.00 to \$239,583.00 and the fixed fee is increased by \$3,996.00 from \$17,566.00 to \$21,562.00.

All other terms and conditions of the contract, including the ceiling amount of \$2,100,000.00, remain the same.
