OFFICE OF ENFORCEMENT
NOTIFICATION OF SIGNIFICANT ENFORCEMENT ACTION

Licensee: Cabell-Huntington Hospital (EA 90-163)
Huntington, West Virginia
Docket No. 030-03370

Subject: PROPOSED IMPOSITION OF CIVIL PENALTY - \$3,750

This is to inform the Commission that a Notice of Violation and Proposed Imposition of Civil Penalty in the amount of \$3,750 will be issued on or about November 13, 1990 to Cabell-Huntington Hospital, Huntington, West Virginia. This action is based on a number of violations that, in the aggregate, are indicative of lack of control over licensed activities. These violations include failure to: perform required radiation surveys, have required written procedures, follow procedures after a minor spill of technetium-99m, properly train nuclear medicine and ancillary personnel, check the dose calibrator for constancy, measure the activity of doses prior to administration, and failure of the Radiation Safety Officer (RSO) to perform various duties and responsibilities. The base civil penalty was increased 50% because NRC identified most of the violations and, of those violations identified by the licensee, only one was promptly corrected.

It should be noted that the licensee has not been specifically informed of the enforcement action. The schedule of issuance and notification is:

Mailing of Notice	November 13, 1990
Telephone Notification of Licensee	November 13, 1990

The State of West Virginia will be notified.

The licensee has thirty days from the date of the Notice in which to respond. Following NRC evaluation of the response, the civil penalty may be remitted, mitigated, or imposed by Order.
