Pittsburgh, PA 15230

Gentlemen:

As requested by your letter dated June 18, 1982, enclosed is Special Nuclear Material License No. SNM-1506 (renewed in its entirety). This license authorizes the possession of byproduct, source, and special nuclear material in packages approved pursuant to 10 CFR Part 71 for the purpose of delivery to a carrier for transport, and in private carriage, from Westinghouse licensed facilities and from a carrier's terminal. Under the terms of this license, only special nuclear material used in research and development activities (10 CFR §70.4) may be possessed for purpose of delivery to a carrier for transport from another NRC licensed facility.

Sincerely,

Original Signed by
CHARLES E. MACDONALD
