President

Dear Mr. Mason:

Since June 4, 1982, representatives of the NRC's Region III office have attempted unsuccessfully to contact you regarding activities under License No. 13-11822-01 at your premises in Hammond, Indiana and your apparent abandonment of the premises and radioactive material stored there. In view of the circumstances, I am issuing the enclosed Order to show cause why your license should not be revoked. The Order also suspends your license effective immediately and requires you to transfer within 5 days all licensed material to a person authorized to receive it. If you do not comply with this Order, the Commission will take measures to ensure transfer of the material and to otherwise enforce the terms of this Order. If you have any questions concerning this Order and the necessary steps to comply with it, please call Carl J. Papariello or William H. Schultz of the NRC Region III office at (312) 932-2500.

The written responses directed by the Order are not subject to the clearance procedures of the Office of Management and Budget under the Paperwork Reduction Act of 1980, PL 96-511.

Sincerely,

*Original Signed By
