Subject: Evaluation of Safety and Relief Valve Operation

Dear Sir:

The purpose of this letter is to transmit additional information on plant specific test condition justification for the safety and relief valves at Maine Yankee. Reference (d) committed to send this information.

A typographical error was contained in Reference (d) which should be corrected as follows:

Page 2 (bottom of page)

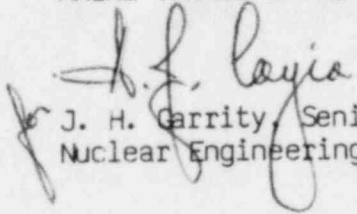

2. Final Safety Valve Operability justification with CE Owner's Group  
1/1/83.

Reference (d) incorrectly listed the date as 1/1/82.

We trust this information is satisfactory. However, should you have any questions, please contact us.

Very truly yours,

MAINE YANKEE ATOMIC POWER COMPANY
