RESPONSE SHEET

TO: SAMUEL J. CHILK, SECRETARY OF THE COMMISSION

FROM: COMMISSIONER ROGERS

SUBJECT: SECY-90-331 - CONFORMITY OF LOW-LEVEL WASTE (LLW) DISPOSAL FACILITIES WITH REQUIREMENTS OF 10 CFR PART 61

APPROVED ^{with} comment _{ken} DISAPPROVED _____ ABSTAIN _____

NOT PARTICIPATING _____ REQUEST DISCUSSION _____

COMMENTS:

In an expansion of the introduction to the SRP, staff should identify all existing guidance documents and other reference materials that an applicant should consider as potentially applicable to a LLW disposal facility, with a brief explanation of how these documents may be used and what their relationship is to the regulations. This information would fulfill the need for a "road map" as identified in COMJC-90-1 and should be included in the revision currently under consideration.
