RE: License No. 35-17259-01

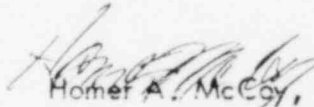

Gentlemen:

Sooner X-Ray & Mag., Inc. terminated service to perform industrial radiography using radioactive material in sealed sources on January 24, 1980.

On January 24, 1980 all licensed material was transferred to Tulsa Gamma Ray, Inc., 1127 South Lewis, Tulsa, Ok. 74104, License #35-17178-01.

We are no longer in operation. If you need more information regarding our termination of business please let me hear from you.

Sincerely,

  
Homer A. McCoy, President  
Sooner X-Ray & Mag., Inc.
