MEMORANDUM AND ORDER

MEMORANDUM

(Staff Comment on Authorization to Amend License)

On November 12, 1990, Intervenors Moved for Recon- sideration of my Order of November 1, 1990, LBP-90-38, 31 NRC \_\_\_\_\_. In that Motion, Intervenors raise questions concerning the appropriateness of my authorizing a license amendment concerning the possession of <sup>241</sup>PU and other re- lated questions. Because of the importance of these ques- tions and the Staff's special knowledge of licensing re- quirements, I would be greatly aided by their participation on this issue. Accordingly, I order them to be parties for the purpose of responding to this Motion. 10 CFR § 2.1213.
