MEMORANDUM FOR: Linda Smith, Resident Inspector, ANO
FROM: Robert D. Martin, Regional Administrator
SUBJECT: EXEMPTION TO 10 CFR 0.735-21

You have reported that, as a former employee of TVA, you have a vested interest in its pension plan. In order to allow you to work on matters involving TVA, an exemption from the provisions of 10 CFR 0.735-21 must be granted.

A review of the terms of the TVA pension plan by the Office of the General Counsel (OGC) has revealed that, as an NRC employee, you cannot influence the amount you receive as a pension from TVA. Based on this finding, I have determined that your interest in the TVA pension plan is not so substantial as to be deemed likely to affect the integrity of your services to the NRC and that no provision of law and no NRC regulation would appear to be violated by your participation in matters affecting TVA.

Therefore, after coordination with OGC, you are hereby granted an exemption of the requirements of 10 CFR 0.735-21 and you may participate in matters before the NRC affecting TVA.
