In the Matter of
UNIVERSITY OF MISSOURI
Materials License Nos. 24-00513-32 and SNM-247
Docket Nos. 70-270/030-02278-MLA

Dear Judge Bloch:

For your information, I am forwarding to you and the parties the Regional Administrator's rescission of amendments 14, 75, 09, 16 and 15 to the University's licenses SNM-247, 24-00513-32, 24-00513-33, 24-00513-34 and 24-00513-35 respectively.^{1/} As explained therein, the amendments were inappropriately issued and the rescissions correct that action.

Sincerely,

Colleen P. Woodhead

Counsel for NRC Staff

Enclosures: As stated

cc w/encls.: Mr. Green
Ms. Wilson
Mr. Axelrad

cc w/o encls: Rest of Service List

^{1/}The cover letter to the rescissions incorrectly states the prefix 34 rather than 24 for four licenses. In addition, license No. 24-00513-32 remains effective pursuant to 10 C.F.R. § 2.109.
