RE: Rochester Gas and Electric Corporation, et al.
(Sterling Power Project Nuclear Unit No. 1)
Docket No. STN 50-485

Dear Mr. Adams:

This refers to your letter of December 7, 1978, enclosing a petition for review of the decision of the Atomic Safety and Licensing Appeal Board dated November 17, 1978 (ALAB-507).

Although the petition is captioned "Before the Atomic Safety and Licensing Appeal Board," it is clear from its contents that Commission rather than Appeal Board review is being sought pursuant to 10 CFR §2.786. Accordingly, I am forwarding your letter, with accompanying petition for review, to the Secretary of the Commission for filing in the subject proceeding.

Sincerely,

John Cho
