

APPENDIX

NOTICE OF VIOLATION

West Park County Hospital

Docket: 30-14695
License: 49-18230-01

As a result of the inspection conducted on June 24, 1982, and in accordance with the NRC Enforcement Policy (10 CFR Part 2, Appendix C), 47 FR 9987 (March 9, 1982), the following violations were identified:

1. License Condition 15 requires, in part, that licensed activities be conducted in accordance with statements, representations, and procedures contained in a letter dated September 15, 1978.

- a. Item 3 of the letter dated September 15, 1978, states, in part, that a cesium-137 sealed source would be used when performing daily constancy checks on the dose calibrator.

Contrary to this requirement, a cesium-137 sealed source was not used for daily constancy check during the period September 1979 to June 1982.

- b. Item 3 of the letter dated September 15, 1978, states, in part, that linearity testing of the dose calibrator would be performed on a quarterly frequency.

Contrary to this requirement, linearity testing of the dose calibrator was not performed during the period September 1979 to June 1982.

- c. Item 3 of the letter September 15, 1978, states, in part, that accuracy tests of the dose calibrator would be performed on an annual frequency.

Contrary to this requirement, annual accuracy tests of the dose calibrator had not been conducted during the period September 1979 to June 1982.

This is a Severity Level IV violation (Supplement VI).

2. License Condition 17.A requires, in part, that sealed sources containing licensed material shall be tested for leakage and/or contamination at intervals not to exceed six months.

Contrary to this requirement, a New England Nuclear, Beta Applicator, model No. NER-8090, serial No. 0386, containing 100 millicuries of strontium-90 was not tested for leakage and/or contamination during the period October 1981 to June 1982.

This is a Severity Level IV violation (Supplement VI).

Pursuant to the provisions of 10 CFR 2.201, West Park County Hospital is hereby required to submit to this office, within 30 days of the date of this Notice, a written statement or explanation in reply, including:

- (1) the corrective steps which have been taken and the results achieved;
- (2) the corrective steps which will be taken to avoid further violations; and
- (3) the date when full compliance will be achieved.

Consideration may be given to extending your response time for good cause shown.

Dated July 29, 1982
