Re: Rochester Gas and Electric Corporation, et al.  
(Sterling Power Project Nuclear Unit No. 1)  
Docket No. STN 80-485

Dear Sir:

Inadvertently, the enclosed Petition for Review was filed with the Appeals Board rather than with the Commissioner. The Petition was filed in timely fashion on December 7, 1978, albeit with the improper division of the Agency. Since the error was administrative inadvertence and timely filing was made, I would ask that the error be overlooked.

I have been advised by Richard Salzman of the Appeal Board that he recognized such inadvertence upon the filing and forwarded a copy on to you.

A copy of my original Certificate of Service is included herein as well as a certificate of service for this and the Petition for Review which I am enclosing herein.

Sincerely yours,

  
Dirk S. Adams
