MEMORANDUM FOR: Raymond J. Brady, Director
 Division of Security
 Office of Administration

FROM: Darrell G. Eisenhut, Director
 Division of Licensing
 Office of Nuclear Reactor Regulation

SUBJECT: SECURITY CLASSIFICATION GUIDES

To promote uniformity of classification of information and to assist employees in identifying information which is classified, NRR recommends that Division of Security conduct a seminar for assigned Office and Division Security Coordinators. A seminar would enable an exchange of ideas and the opportunity for discussion of any problems.

This recommendation was relayed to Vince McClelland, of your staff, by Jane Gibson, DL/SSPB, on July 26, 1982. For follow-up purposes, please contact Eugene McPeck, x24782 or Jane Gibson, x24777.
