Dear Mrs. Wright:

This is to confirm our telephone conversation made
on November 13, 1990 that:

- 1) We agree to change the quantity of Uranium to be
covered by this application to 23.00 kilograms
instead of 25.07 kilograms initially asked for.
- 2) We would like to add "Edlow International Co."
to this export license application as one of
"Other Parties to Export".

Edlow International Co.

In this connection, please disregard our request
expressed on this application, in our letter
GNT90-043 dated August 9, 1990.

Very truly yours,

Y. Ogino
