Dear Ms. Wright:

We would like to renew our license #XB001254 and extend it through February 1995.

Since the issuance of our license on March 25, 1988 we have exported less than 2 millicuries of polonium-210.

Also, on our renewal please delete Sylvia Pena's name and add in her place Ruth Amlauer Devine.

Thank you & best regards.
