Dear Nick:

Subject: Texas Utilities Generating Company (Comanche
Peak Steam Electric Station, Units 1 and 2),
Docket Nos. 50-445 and 50-446

CASE's Twelfth Set of Interrogatories
to Applicants and Requests to Produce

Attached hereto is a copy of CASE's Twelfth Set of Interrogatories to Applicants
and Requests to Produce.

We call your attention particularly to the note following the interrogatories,
beginning on the bottom of page 5 and continuing on page 6.

Since, in these particular hearings, the deadline of August 23 applies both for
completion of depositions and completion of discovery, we ask that you do every-
thing possible to expedite the answer to our interrogatories in order that we
may make proper plans for depositions taken either from or by CASE.

Your assistance will be appreciated in this matter so that we can comply with
the Board's deadlines and still afford all parties ample opportunity to take
depositions in the most efficient and fair manner.

Sincerely,

CASE (CITIZENS ASSOCIATION FOR SOUND ENERGY)

Juanita Ellis
(Mrs.) Juanita Ellis
President
