Docket No. 50-309

Maine Yankee Atomic Power Company
ATTN: Mr. Charles D. Frizzle
President
83 Edison Drive
Augusta, Maine 04336

Gentlemen:

Subject: Inspection No. 50-309/87-15

It has recently come to our attention that we may not have acknowledged receipt of your letter dated November 18, 1989, in response to our letter dated October 9, 1987. If we did not, it was an oversight. Our records indicate that we have examined, during subsequent inspections, the corrective and preventive actions documented in the letter and found them to be satisfactory.

The enclosure to your letter contains Safeguards Information, which has been determined to be exempt from public disclosure in accordance with 10 CFR 73.21. Therefore, it will not be placed in the NRC's Public Document Room and will receive limited distribution.

Your cooperation with us is appreciated.

Sincerely,

Original Signed By:
