Mr. Ronald M. Scroggins  
Controller  
United States Nuclear  
Regulatory Commission  
Washington, DC 20555

Dear Mr. Scroggins:

This is in reply to your letter requesting approval of the Nuclear Regulatory Commission's proposed Salary Offset regulations implementing 5 U.S.C. 5514.

We have reviewed the regulations in accordance with section 8(1) of Executive Order 11609, as redesignated by Executive Order 12107, and 5 CFR 550.1105. This letter conveys Office of Personnel Management approval of the proposed regulations submitted with your letter of May 30, 1990, for both agency-wide and Government-wide salary offset collections. However, the regulations must be published in the Federal Register before salary offsets against employees of other agencies can be made. Any substantive changes in the final regulations would necessitate further review and approval by the Office of Personnel Management. Please send us a copy of the final regulations when they are published.

Sincerely,
