UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

MEMORANDUM FOR: Graham D. Johnson, Director
Division of Accounting and Finance
Office of the Controller

FROM: Donald F. Hassell, Senior Attorney
Office of the General Counsel

SUBJECT: REVIEW OF DRAFT SALARY OFFSET PROCEDURES

In accordance with your request of January 4, 1990, I have completed a review of the draft NRC salary offset procedures required by the Debt Collection Act of 1982. I have developed numerous comments that should be resolved before the regulations are forwarded to the Office of Personnel Management (OPM) for review. In the interest of time, rather than drafting a detailed memorandum containing a number of comments and suggestions, I would like to meet with you or members of your staff to resolve my comments. My comments are reflected in a mark-up of the draft procedures you provided for review. Subject to the resolution of those comments, I have no legal objection to the submission of the draft NRC salary offset regulations to OPM for review.

Should you have any questions I can be reached at 492-1555.

Office of the General Counsel
