License No. 48-04193-01  
Docket No. 030-03444  
EA 90-181

Gentlemen:

This refers to an Enforcement Conference conducted by Mr. A. B. Davis and other members of the Region III staff on October 29, 1990, to discuss with you and your staff the apparent violations and concerns identified during our September 26-28, 1990 inspection of the activities authorized by NRC License No. 48-04193-01. In addition, we also discussed the actions you have taken to satisfy the commitments in a Region III Confirmatory Action Letter No. CAL-RIII-90-20 (CAL) dated October 12, 1990. We find the consultant you have selected adequately qualified to perform the audit required in Section B of the CAL. Your consultant audit is to be completed within 30 days of the date of this letter and reported to the NRC Region III within the following 20 days.

We have enclosed a report summarizing the matters discussed during the Enforcement Conference. No response to this report is required at this time.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter and the enclosures will be placed in the NRC Public Document Room. We will gladly discuss any questions you have concerning this Enforcement Conference.

Sincerely,

"Original signed by W. L. Axelson"

Charles E. Norelius, Director  
Division of Radiation Safety  
and Safeguards
