UNITED STATES NUCLEAR REGULATORY COMMISSION

In the Matter of
BOSTON EDISON COMPANY
(Pilgrim Nuclear Power Station)

Docket No. 50-293 License No. OPR-35 EA 81-63

REQUEST OF THE MASSACHUSETTS ATTORNEY GENERAL FOR SUBMISSION OF DOCUMENTS

Francis X. Bellotti, the Attorney General of the Commonwealth of Massachusetts ("the Attorney General") hereby requests that the Nuclear Regulatory Commission ("the Commission") forward to the Attorney General copies of all documents it has filed or received in this Docket relating to the management and safety of the Pilgrim Nuclear Power Station since January 18, 1982 and all future such documents it files or receives in this Docket.

As grounds for his request, the Attorney General states that he has this day filed a Petition for Review of the Commission's July 30, 1982 decision denying the Attorney General's Petition to Intervene in the Commission's proceeding on the management and safety of the Pilgrim Nuclear Power Station with the United States Court of Appeals for the District of Columbia Circuit. Submission to the Attorney Genral of documents filed and received in this

proceeding, pending the Court of Appeals' decision on the Petition for Review, will reduce the prejudice to the Attorney General's rights and the rights of the citizens of the Commonwealth of Massachusetts without in any way prejudicing the rights of the Commission, Boston Edison Company, or other persons.

FRANCIS X. BELLOTTI Attorney General of the Commonwealth of Massachusetts
