 (Callaway Plant, Unit 1)
Docket No. STN 50-483 OL

Dear Mr. Perry:

I have enclosed a copy of the schedule for hearing emergency planning contentions in the Callaway OL proceeding recently issued by the Licensing Board in the case. While no hearing date has yet been set by the Board, 10 C.F.R. § 2.743(b) provides that a hearing will be held no less than 15 days after service of testimony. Given the Board's present indication of moving ahead as expeditiously as possible, the attorneys assigned to the case expect the hearing to commence either the last week in October or the first week of November.

If you have any questions with respect to this proceeding, please contact the attorney handling the matter, Robert Perlis, at 492-7657.

Sincerely,

Joseph Scinto, Deputy Director
 Office of the Executive Legal Director
