Attention: Russell Vetter, Ph.D.
Radiation Safety Officer

Thank you for your letter dated June 16, 1993, informing us of the steps you have taken to correct the item we brought to your attention in our letter and Notice of Violation dated June 10, 1993. Based upon your explanation during our August 23, 1993, telephone conversation and your June 16, 1993, letter, it is our understanding that the wipe test was conducted but not recorded. Therefore, this violation is being downgraded to a Severity Level V non-cited violation in accordance with the Enforcement Policy. No further response to this violation is necessary. The implementation of your corrective action will be verified during our next inspection.

Your cooperation is appreciated.

Sincerely,

Gregory P. Yuhas, Chief
Radioactive Material Safety Branch
