MEMORANDUM

RETURN ORIGINAL TO PDR, HQ.

TO: See Distribution List

FROM: Mark S. Pelizza

DATE: October 11, 1993

SUBJECT: Replacement Pages to the Churchrock Project
Revised Environmental Report, March, 1993.

Please find attached, replacement pages for the subject report. These pages represent changes in the mine plan or editorial corrections which have been made since the report was initially distributed in March. Your report copy is updated by removing the old pages and replacing them with the attached pages. The pages numbers are the same for old and new.

The copy(s) of the subject report that will be given to the examiner at the upcoming NMED Public Hearing on October 26, 1993, will contain the attached corrected pages.
