Dear Ms. Bohrer:

This responds to NRC's letter dated August 23, 1993, to Oliver D. Kingsley, Jr. The letter requested that TVA review the enclosed computer printout to determine if the listed Topical Report should remain open. NRC further requested copies of any letters which would have dispositioned the status of the Topical Report.

After reviewing our records, we determined that on July 3, 1985, TVA formally requested NRC review and approve Topical Report: "Monster, A Multicompartement." Further review of our records did not identify additional information concerning this request.

Upon review of the Topical Report and NRC's request, TVA hereby respectfully withdraws our request for NRC's review and approval of the above Topical Report.

If you have questions concerning this correspondence, please telephone Percy J. Hammons at (615) 751-2736.

Sincerely,

Bruce S. Schofield
