Dear Mr. Selin:

Mr. Hashem Hashemian, President of the Analysis and Measurement Services Corporation, a Nuclear Power Engineering Company located in Knoxville, Tennessee, has requested that I contact you to see if it would be possible for you to see him sometime in the near future at your convenience.
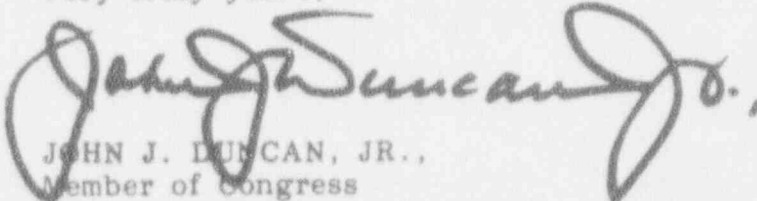

He states that he is required to be in the District of Columbia on October 25 through October 29 on another matter, and would like to meet with you sometime that week if at all possible.

Briefly, he says he would like to discuss a technical matter with you regarding a pending requirement, and on a very confidential basis.

If it is possible for you to see this constituent anytime in the near future, I would appreciate your advising me.

I thank you for your courtesy in this matter.

Very truly yours,

JOHN J. DUNCAN, JR.,
