Re: Change of Address of Licensee Counsel for Public Service  
Company of Colorado

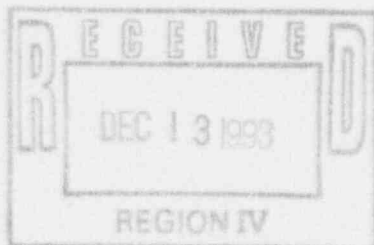

Dear Mr. Hall:

I am currently representing Public Service Company of Colorado in matters relating to nuclear regulation and the Nuclear Regulatory Commission. I am formerly of the law firm of Kelly, Stansfield & O'Donnell to which your office has been sending correspondence, addressed to J.K. Tarpey.

I would appreciate if you could arrange for further correspondence or mailings be sent directly to me at the above address. If you have any questions, please feel free to give this office a call.

Very truly yours,
