Dear Mr. Opeka:

Subject: MILLSTONE STATION EMERGENCY PLAN IMPLEMENTING PROCEDURES

The NRC staff has completed a review of the revised Millstone Emergency Plan Implementing Procedures (EPIPs) which were made effective June 1, 1993. This review was based upon a comparison of the revised EPIPs with the procedures that they superseded.

Our review concluded that the revised EPIPs are acceptable.

No response to this letter is required. Thank you for your cooperation.

Sincerely,
