HON. JOHN F. AHEARNE, CHAIRMAN  
U.S. NUCLEAR REGULATORY COMMISSION  
WASHINGTON DC 20555

RE: THREE MILE ISLAND UNIT 1  
DOCKET No. 50-289 (RESTART)

DOCKET NUMBER  
PROD. & UTIL FAC.....

DEAR COMMISSIONER AHEARNE,

IT DISTURBS ME TO HEAR THAT THE LICENSEE OF THIS BOILER IS IMPATIENT WITH YOUR ROUTINELY RIGGED AND LAUGHABLE LICENSING PROCESS, SO IMPATIENT, POSSIBLY DUE TO CREDIT PROBLEMS OWING TO INVOLVEMENT WITH DUBIOUSLY RELIABLE WATER BOILING TECHNOLOGIES, ~~THAT~~ THE LICENSEE WANTS TO RESUME OPERATIONS (LEGALLY) AND GET THE LICENSE LATER. IF YOU AND THE COMMISSION PERMIT COMMERCIAL POWER OPERATIONS TO RESUME AT THIS SORRY AMALGAM OF CONCRETE AND STEEL WHILE THE ASLB STILL DELIBERATES ON THE LICENSE, YOU WILL MOCK THE ATTEMPTS OF THIS AREA'S CITIZENS TO AFFECT THEIR FUTURE THROUGH PARTICIPATION IN YOUR PROCESS. BELIEVE ME COMMISSIONER, WE ARE CREATIVE PEOPLE AND WE WILL INSTITUTE A LEGITIMATE REGULATORY PROCESS IF YOU LACK THE ABILITY!

AS ONE DROPLET IN THE OCEAN OF CENTRAL PENNSYLVANIANS, I WOULD LIKE TO REGISTER WITH YOU MY OPPOSITION TO ANYTHING OTHER THAN A PROMPT DECONTAMINATION AND DECOMMISSIONING OF THE ONE THAT HAS A MELTDOWN IN PROGRESS. THANK YOU. SINCERELY... James E. Gormley
