Docket Number 50-155  
(Spent Fuel Pool Modification)

Please accept "INTERVENOR JOHN O'NEILL II'S BRIEF IN SUPPORT OF MEMORANDUM AND ORDER ON NEPA REVIEW two days out of time. Difficulties in typing my lengthy paper, duplication, and a loss of car keys contributed to the timing of the filing. Because the brief of the Council on Environmental Quality will also be filed late, and in light of the fact that I am sending the copies of the brief to the NRC Staff and Consumers Power via Special Delivery Mail, no undue delay or inconvenience should result. I expect no objections to this motion.
