Dear Sir,

I am writing to you in regard to the Marble Hill nuclear power plant. I believe that it would be very beneficial to us.

As you know, the power plant on Three Mile Island had a very serious ^{problem} ~~problem~~ ^{with the well} ~~with the well~~. However, if this power plant ^{is} ~~is~~ to be built properly, I don't think anything would go wrong.

Thank you for your time and would appreciate it very much if you could send me more information on nuclear power plants.

Sincerely yours,
Carl A. Walker
