Subject: Export Application

Dear Mr. Hauber:

Please find enclosed a license application covering the proposed export of first core and reload fuel assemblies for the Temelin 1 and 2 nuclear power plants being constructed in the Czech Republic. The quantity of material covers the first core and four reload regions for each plant.

A check for \$5,300 was forwarded to the NRC under separate correspondence.

Should you have any questions on this application, please contact the undersigned at (412) 374-3262,

Very truly yours,

William S. Hudec
Senior License Administrator
